The Premier of NSW
Mike Baird MP

Dear Mr Baird,

On behalf of the Australian Federation of Women NSW I write to congratulate you on the 'Transforming NSW' policy which will lead to the creation 1,000 new apprenticeships across the State.

Our organization the Australian Federation of Graduate Women NSW (AFGW) is concerned with the empowerment of women through Educational opportunities and we believe that this programme will provide many young people, both men and women, with the opportunities to learn new skills and leave a lasting skills dividend for local communities.

I recently wrote to Education Minister Adrian Piccoli to congratulate him on his stand against funding cuts to our schools and I add my congratulations to your government in its determination to provide the best possible school system for NSW.

Yours sincerely

Virginia Ross
