Dear Tricia,

Thank you for your kind words of congratulations on my election to Deputy Leader of The Nationals. I am sorry that it has taken me so long to respond, it has been a bit of a whirlwind.

I am very honoured to have been accepted by my colleagues for this role and look forward to working closely with Leader David Littleproud and our team to represent regional Australians, although unfortunately from the opposition benches. I acknowledge and thank Barnaby Joyce for his leadership and acknowledge the fact, as he has said, that he only wanted to retain the leadership for another 12 months to transition. I am pleased that both he and Michael McCormack will join the Shadow Ministry and be part of our leadership going forward.

With the announcement of the Shadow Ministry I was excited to have been offered the role of Shadow Water Resources and Emergency Management Minister. Both portfolios are extremely important for the regions and therefore I see my job as holding the Government to account and speaking loudly for the regional communities that are most severely impacted by Government policies.

Thank you again for your ongoing support.

Kind Regards,
Perin
