Dear Tanya,

I'm writing on behalf of GW-NSW to congratulate you on the election of a majority Labor government and on your appointment as Minister of Environment and Water.

We greatly appreciated what you have been able to achieve in your Shadow Ministries of Education and Women over the past years. I hope that the new Ministers in these portfolios will benefit from what you laid down for them to follow. I won't pretend we are not disappointed.

The complex issues facing the environment and water will benefit greatly from your thorough, focused and diligent attention. We wish you well in facing these new challenges.

Sincerely,

Tricia Blombery
